

Puppy Pamper Package

Introduction to the grooming salon is advised after their second set of vaccinations, This is when your little pups will start to explore the big wide world!

These sessions are designed to introduce your pups to the sounds, smells and sights of the grooming salon and give them time to form a bond with me in a calm, fun and engaging environment.

First Appointment

- Brush through to remove any tangles and check for any matting
- Gentle wash and blow dry
- Getting your puppy used to the sounds and smells of the salon

Second Appointment

- Brush through to remove any tangles and check for any matting
- Gentle bath with two shampoo washes
- Gentle blast and blow dry
- Tidy up of face, feet and hygiene areas
- Slowly introduce clippers and scissors

Third Appointment

- Full puppy groom
- Condition the coat
- Gentle blast and blow dry
- Pet cut (clipping, scissoring)
- Tidy up of face, feet and hygiene areas
- Ears cleaned & plucked if required
- Gentle nail trim
